## 12.5 Leaderboard Track Limits

The track boundaries are following the ingame penalties. In general, they are as follows: 2 wheels always on track, kerbs count as track. When you exceed the track boundaries, you will see a black and white flag on your screen and your laptime is disallowed.

In cases where you can exceed the track to small degrees without an automatic lap invalidation, such as running wide onto the astroturf, the laptime is considered legal.

In some cases, it may be possible to skip entire corners or sections of the track. This is not allowed, and will result in 2 strikes, a manual deletion of your laptime, and you will receive no invitation for the next 2 multiplayer events. Repeat offenders will face harsher penalties.

## 12.6 Wallriding

Wallriding in order to gain a competitive advantage is disallowed, and will result in 2 strikes on the RaceRoom Competition license and a manual deletion of the laptime. You will receive no points on the leaderboard ranking. Repeat offenders will face harsher penalties.

## 12.7 Cars and Liveries

On the leaderboard, drivers can use whichever car they want, and they can use a different car on each leaderboard.

Drivers must confirm their participation in writing by **no later than Wednesday, 16.09., 12:00 noon CEST**. If the commitment is not given by the deadline, the qualifier may be replaced by a reserve driver. It shall be up to the organiser to decide whether a replacement is made.

If you cannot participate, and you know so during the confirmation period, please tell us that you cannot attend and your spot will be allocated to another driver. There are no negative consequences to this.

### 13.3 Attendance

Once you have confirmed your presence, you are expected to show up for all events of the season. The General Competition Rules regarding attendance in §15.7 and §15.8 are in effect.

In case of medical emergencies, family emergencies, or obvious hardware issues or game issues with proof preventing a start, an exception may be granted, at the discretion of the stewards.

A reserve driver may be called up, at the discretion of the stewards.

### 13.4 Team and car

In each race, 6 real DTM drivers will participate.

All drivers of the championship will be grouped into teams (e.g. "Team Rast" or "Team Glock").

The team selection process will be performed via a random draw. The exact details are to be announced.
